Price ReductionGolf Car Batteries

Effective February 1, 1982, Golf Car Battery prices are being lowered due to a decrease in the market price of lead.

If you have not taken advantage of this excellent direct-ship program, NOW IS THE TIME. Order your batteries TODAY on the attached pre-printed order blank.

Freight terms are F.O.B. shipping point. A service handling charge of \$1.00 per battery will be added to orders for less than 100 batteries. On orders for 100 or more batteries, the service handling charge will be .50 cents per battery. "Orders" are considered as one order to one destination.
