PARTS & ACCESSORIES FREE FREIGHT PROGRAM

Effective April 15, 1986, paints will be eligible to qualify for free freight. This includes touch-up bottles, aerosol and quart cans.

Remember, freight is prepaid on orders of \$495.00 or more for any combination of replacement parts, mechanical accessories, eagle iron products and now, paints shipped from the Milwaukee warehouse.

NOTE: Dealers utilizing the WTC air freight program must order paint separately so as to prevent your entire parts order from being shipped ground transportation. Paints cannot be shipped via air freight.
