Free Reinforcement Kit for FLST Passing Lamp Kit

PART NUMBER: 68249-86

Parts and Accessories is offering a FREE Reinforcement Kit (P/N 93529) which will improve the load spreading on the mounting brackets of FLST Passing Lamp Kits. The Kit consists of two large diameter washers and comes with a brief instruction sheet for installation.

Note: This Reinforcement Kits is included in FLST Passing Lamp Kits that have a packaging date of 7/86 and later!

Order P/N 93529 today and give them to customers who have already mounted Passing Lamps on their FLST.

Thank you!
