

Parts & Accessories Bulletin

April 3, 1987

P&A #343

HEX CAP SCREW

P/N #3771

Screw P/N 3771 is no longer available. In its place you must order P/N 41465-86, sprocket fastener kit. This kit includes 5 bolts and 5 washers which must be used together and torqued to 78 ft.-lbs. Please follow the instruction sheet included with the kit.

Thank you!
