

Parts & Accessories Bulletin

November 6, 1987

PAB #362

FILLER CAP/INSERT ASSEMBLIES

The following parts, which were introduced at the Baltimore New Model Announcement Show, were not ready for shipment to the dealer network during October 1987, as previously anticipated.

<u>PART NUMBER</u>	<u>DESCRIPTION</u>
61102-73A	Filler Cap/Insert Assembly - Vented
61103-73B	Filler Cap/Insert Assembly - Non Vented
61233-73	Filler Cap - Non Vented
61241-73	Filler Cap - Vented
61234-73	Gasket, Filler Cap

Shipment of these items is being delayed because of unforeseen problems in the manufacturing process.

You will be advised of a new shipment date in the very near future.

We apologize for any inconvenience this may have caused.

Thank you,

Parts and Accessories Division
