PAB #371

BATTERY EXHAUST TUBE

PART NUMBER 65995-88

We are pleased to announce the addition of this new item to our GENUINE REPLACEMENT PARTS product line.

This new product, which is made of clear, high quality PVC tubing, can be used on any of the following Genuine Harley-Davidson 12 volt batteries:

65991-75C
65991-82A
66006-70
66007-84
66010-82A

This new tube will be offered in one length only. If it is longer than the one currently being used on your customer's motorcycle, simply trim the end without the emergency exhaust slits to the necessary length (see instruction sheet).

Package Quantity: 5
Dealer Net: .475 each
Suggest List: .95 each
