INTRODUCING DUNLOP TIRES

FREE FREIGHT ON 5 OR MORE TIRES !

SUPER LOW PRICES !

Dear Dealer:

Harley-Davidson is pleased to announce that Dunlop tires are now available in all sizes that are currently being used on original equipment. Also, as in the past, we will continue to be your exclusive supplier of Dunlop police tires.

It's important to note that Harley-Davidson only sells tires that have been tested and approved for use on our vehicles. While tires manufactured by others may fit, we cannot substantiate any claims they make as to handling, ride, wear etc.

Our decision to expand the Dunlop tire line is based upon our commitment to offer you, the Harley-Davidson dealer, quality products at competitive prices, and to become your one stop shop for all your parts and accessories needs.

PRICING

Check our super low pricing below. It doesn't make any difference if you order 1 tire or 100 - you pay the same low price.

FREE FREIGHT

As an added bonus, all orders for 5 or more tires (any combination) will be shipped freight free to any dealer in the United States (excluding Alaska and Hawaii).

NOTE: FREE FREIGHT ON TIRES IS A SEPERATE PROGRAM AND CANNOT BE COMBINED WITH PARTS AND ACCESSORIES TO QUALIFY FOR FREE FREIGHT UNDER THE NORMAL \$495 MINIMUM ORDER.

The following is a complete list of tires available for immediate delivery. Keep it handy for future reference.
