Return for Credit Requirements

1. Only heads with long reach (3/4" depth) spark plugs, introduced in 1975 model year, will be accepted for credit. NO CREDIT WILL BE ISSUED FOR SHORT REACH (3/8") SPARK PLUG HEADS.
2. Heads with broken fins or exhaust flanges, or cracks of any types will not be accepted. However, we will accept those with damaged spark plug or stud threads. There will be a \$10.00 charge for "helicoil" of each damaged thread hole.
3. Credit for 1200 CC cores will only be issued on 1200 CC remanufactured head shipments. Additionally, credit for 1340 CC cores will be issued on 1340 CC remanufactured head shipments. Therefore, a copy of the P & A invoice must accompany the returned core.
4. Remanufactured parts qualify for free freight. However, shipping charges for all core returns will be the responsibility of the dealer.
