1990 FXRT ACCESSORY VIVID BLACK TOUR-PAK

Although 1990 FXRT models are available in carry over VIVID BLACK, the pinstriping has changed.

In 1989, vivid black FXRT models had two red pinstripes. For 1990, the paint scheme has one red and one bright orange pinstripe. For this reason, we have added the following part number to our product line.

<u>PART NUMBER</u>	<u>DESCRIPTION</u>	<u>PRICING</u>
53620-90VD	FXRT Vivid Black Tour-Pak with Red & Bright Orange Pinstripes	Dealer Net \$175.50 Sugg. List \$269.95

This new tour-pak will be available in November. Please review your 1990 vehicle order and place your accessory tour-pak order accordingly.

The other FXRT Tour-Pak for 1990 models is:

<u>PART NUMBER</u>	<u>DESCRIPTION</u>	<u>PRICING</u>
53625-90UT	FXRT Candy Ruby Tour-Pak with Red & Bright Orange Pinstripes	Dealer Net \$182.00 Sugg. List \$279.95

Thank you.
