RECONDITIONED PRIME TANKS & FENDERS.... 30% OFF!!!

Here's an opportunity to order "Reconditioned" primed tanks and fenders at a 30% discount. Harley-Davidson is inspecting, testing and priming these parts for our all new Reconditioned Prime Parts Program.

All reconditioned parts will be available on an ongoing basis depending on product availability.

- o Availability will be limited at times.
- o Parts will be identified as reconditioned.
- o Parts are sold as is - no warranty.
- o Reconditioned parts are not returnable.
- o No backorders - orders that cannot be filled within 10 working days will be cancelled.

Attached is a list of parts that are available for ordering under this program. You'll notice we have used the base prime part number and added a "Y" in the suffix field to designate it as a reconditioned part.

(TO ORDER) all you need do is include one or more of these part numbers on your parts order using your normal method of order entry i.e. SUCCESS, telephone, mail, fax, etc.

NOTE: ALL Reconditioned parts will be direct shipped from our York, PA plant. Freight is dealer's responsibility.
