

Parts & Accessories Bulletin

September 25, 1992

PAB #496

RUBBER BOOT

P/N 70654-86

This bulletin is to inform you of the part number for the Rubber Boot used with the Three-Way Function Switch on 1986 to present vehicles, and used with the Volume Control Switch on 1988 to present vehicles with a Premium Sound System. We hope that this information will help to better service your customers. Please make a note of this information in the appropriate parts books.
