PAB #523

## GENUINE PRIMED FIBERGLASS AND ABS PLASTIC PARTS

Many fiberglass and ABS plastic parts for 1980 - 1995 model year vehicles are available finished in primer and drilled to accept mounting hardware. This P&A Bulletin #523 is an update of PAB #509.

### *FLT & FLHT Models*

Primed replacement-part Tour-Pak bottoms for FLT and FLHT models come equipped with the side light wiring harness and reinforcement plate pre-installed. All other hardware must be ordered separately or reused from the original part.

On primed left fairing lowers which are to be installed on 1984 - 1987 FLT/FLHT models, a hole must be drilled to provide clearance for the engine guard's air filler valve.
