## SAN DIEGO SHOW SPECIAL P/N 93802 1996 ESSENTIAL SERVICE PARTS KIT

We will begin shipping the Service Parts Kit on September 12, 1995. The first package you receive will not include the following components due to a delay in receiving the parts from our suppliers:

<u>Part Number</u>	<u>Quantity</u>	<u>Description(Model Application)</u>
45013-96	1	All '96 Models w/Dual Disc Brakes
4761*	5	Screw, Instrument Panel Mounting, Softail
67090-96	1	Speedometer Cable, FLT
68570-94B	1	Turn Signal Module, XLH, FLT

\*P/N 4761 replaces P/N 4756

**The above components will be shipped to you at a later date.**

We decided to ship the Service Parts Kit to you in two installments so as not to delay your receipt of the majority of components. We apologize for the inconvenience.

For your convenience, we have printed an itemized list of the components included in the show kit on the reverse side of this page.
