GENUINE MOTOR ACCESSORIES INTRODUCES NEW TOURING MUFFLERS FOR 1995 AND LATER MODELS

Change Information

New Style Mufflers and End Caps are now Sold Separate & are not Interchangeable with old style Mufflers/ End Caps. When using the New Style Mufflers you must use the new End Cap P/N's for correct fitment.

End Cap Kits (complete with stainless hardware & U-Clip Fasteners) are sold individually (*package quantity is 1*). **You must order 2 End Caps** for each order of the new Touring Muffler P/N 65976-96. See matrix below for complete P/N and style information.

Features and Benefits

- * **Improved Retail Price Value and Dealer Profit Margins!**
- * **Improved Baffle Design** does not incorporate fiber baffle wrap eliminating the need to re-pack baffles (as required in our earlier style touring mufflers) while still allowing muffler tuneability.
- * **Minimizes Inventory** offering a simplified product mix by having to stock only 1 Touring Muffler P/N resulting in less inventory while offering customers full selection.
