### PAB1065: SCREAMIN' EAGLE MILWAUKEE-EIGHT HIGH-FLOW EXHAUST SYSTEM STATUS UPDATE

#### Purpose

The purpose of this P&A Bulletin is to update dealers on possible fitment concerns and availability status for the Screamin' Eagle Milwaukee-Eight High-Flow Exhaust Systems.

#### Summary and Parts Affected

Screamin' Eagle Milwaukee-Eight High-Flow Exhaust System with Street Cannon Mufflers

- 64800059 - Chrome
- 64800062 - Satin Black

#### Action Required

Harley-Davidson has discovered a possible concern with the header pipe shield to collector shield fitment or alignment. If this condition exists, install spacer kit (part no. 65400482) according to the included instruction sheet (-J06608). This spacer kit will be included in all Screamin' Eagle High-Flow Exhaust System kits and will also be available separately. The image below is an example of the spacer kit application:

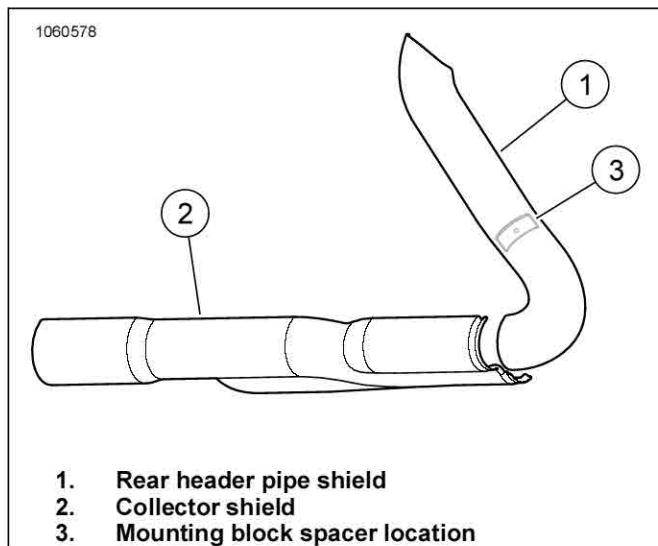

Figure 1. Shields

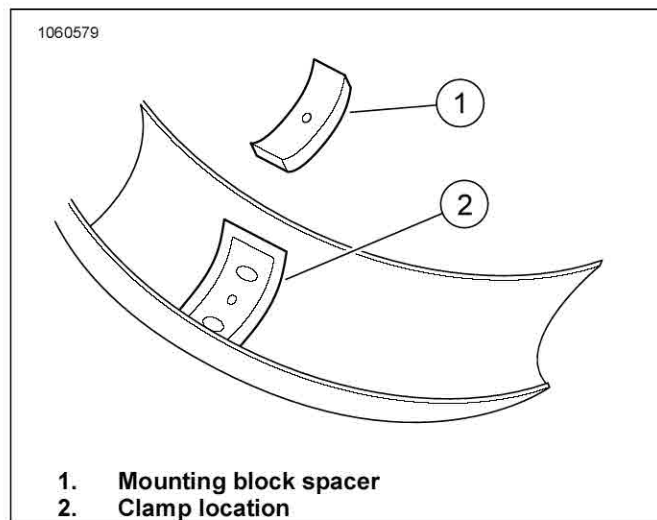

Figure 2. Mounting Block Spacer

Shipments of the Screamin' Eagle Milwaukee-Eight High-Flow Exhaust Systems will resume on April 25th. We anticipate all outstanding shipments will be made by end of May.

#### Questions

Please direct all other questions to your Dealer Services Representative.
