SCREAMIN' EAGLE STAGE UPGRADES FOR 2018 SPORT GLIDE NOT APPROVED FOR USE IN CALIFORNIA

Purpose

- To notify California dealers of unforeseen certification delays for Stages I – IV on the 2018 Sport Glide model, FLSB, for California.

Summary and Parts Affected

Screamin' Eagle Stage I – IV upgrades are approved for use in 49 states for the new FLSB, Sport Glide model. Harley-Davidson has encountered delays in gaining approval for installation of these upgrades in California through the California Air Resource Board (CARB).

We anticipate resolution to this in early 2018.
