PAB1087: ADDING RADIO - FLHT - BOOM! AUDIO PARTS LIST

Purpose for Parts and Accessories Bulletin

Provide dealers the complete parts list to install a genuine Boom! Box radio in Electra Glide® Standard (FLHT).

Markets Affected

All markets are affected.

Summary

The purchase of a radio, hand controls, speaker wires, a USB (Universal Serial Bus) cable for updating firmware, and an antenna is required. In Boom! Box 4.3 Radios, Boom! Box GT Radios or Boom! Box GTS Radios are the part numbers for the various options.

All pricing is listed in USD (United States Dollar) as of August 27, 2019.
