

FLT CHAIN BOOT TOOL

A tool is available from the BONDHUS tool distributors that will greatly ease the removal or installation of the chain boot.

See Figure 1. The BONDHUS BALLDRIVER®, Part No. 10710 - size 3/16L BS, has a special ball type tip which allows fast screwdriver type motion to remove the socket head cap screws.

Following is a listing of some BONDHUS dealers. A review of your local yellow pages may reveal additional dealers.
